

## Rose Street Primary School Sports Funding Grant 2014/2015

The primary PE and sport premium 2014 to 2015 ("the premium") will be paid by the Secretary of State for Education ("Secretary of State") to the local authority ("authority"). The authority will then distribute the premium to maintained schools in its area as stated in Section 14 of the Education Act 2002. In accordance with Section 16 of that Act, the Secretary of State lays down the following terms and conditions on which financial assistance is given in relation to the premium payable for the academic year 2014 to 2015.

In our school this will amount to £8,885 and we intend to use it to provide excellent sports opportunities for all pupils. To do this we will use qualified coaches for specific sports, improve confidence amongst staff in the delivery of high quality PE lessons across the school through staff training, transport children to sporting festivals, competitions and events and improve our resources for both indoor and outdoor activities. We feel that this is the most effective and efficient way for the funding to have a long lasting and positive effect on future learning and physical development of children within our school.
