

**ST JAMES HATCHAM**  
CHURCH OF ENGLAND PRIMARY SCHOOL

## **Charging For Activities Policy**

The school does not charge for any item of expenditure, which are essential to the delivery of the National Curriculum. However, parents may be asked for a contribution towards outings and visits, which take place during the school day.

Parents who face hardship in making a contribution can be given support from the school. In such a case parents should contact the Headteacher directly.

Parents may also be asked for a contribution for damage done by their child to school property.
