Dear Mums, Dads and Carers,

I am writing to thank those of you who attended the West Minster parents' Forum earlier last week which was really positive.

The fact that we had over twenty parents was fabulous and the discussions we had were really useful and informative. It was a good opportunity for me to let you know some of the changes that are happening at the school and to let you know about the proposed expansion to the school and how this will look once we have our new buildings. It was also good to see how many of you are willing to come in and help some children read in our newly introduced "Reading Dream Team" of parental volunteers. We will be contacting you soon to discuss CRB checking and training sessions to enable you to work with the children to help them improve their reading skills.

I look forward to seeing even more parents at our next parents' Forum which will take place in December and I will let you know the exact date and time for this in due course.

Once again thank you very much for your support in helping us to make West Minster school the very best school for all children.

Yours sincerely,

Steve Davies (Executive Head Teacher)
